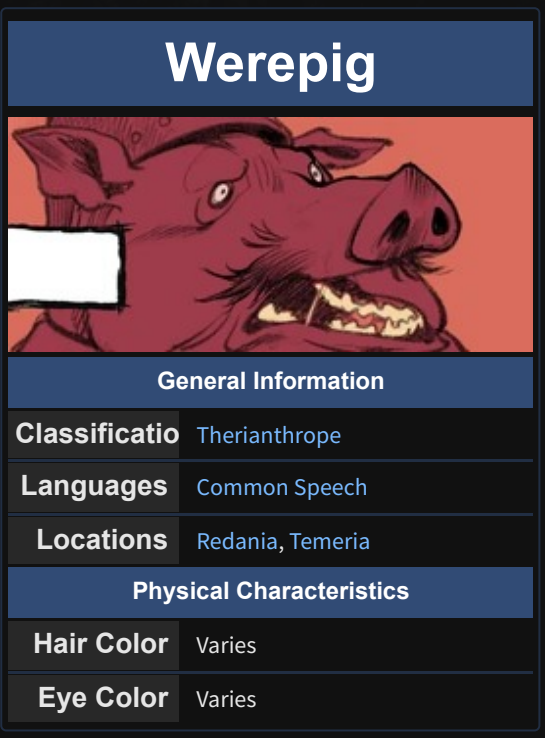
Werepigs are therianthropes who transform into pigs or half-pigs. As other such creatures, they are hardly hurt by steel but are vulnerable to silver.

Their most common way to aquire this is through a curse, though it is likely they may be born from a werepig parent. These creatures have full control of their shapeshifting abilities, though it is unknown whether there is a cure.[1]



Known werepigs

- Unnamed Grimm gang member
- Des Letameris[2]
